

# *Fight for the Living Mourn for the Dead*

## April 28

# International Day of Mourning

Each year on April 28th the International Day of Mourning is observed in Canada and throughout the world. The day commemorates workers who have been killed, injured or suffered illness due to workplace related hazards.

We also honour the families and friends who have been deeply affected by these tragedies.

Every worker has the right to return home safe at the end of each work day.

An injury to one is an injury to all.
